ART WITH A HEART IN HEALTHCARE THE ART OF MUSIC

September 14, 2025 – January 11, 2026

PUBLIC RECEPTION Sunday, September 14, 2-4 P.M.

MOCA Jacksonville continues its partnership with Art with a Heart in Healthcare (AWAHIH), a nonprofit organization that provides personalized art experiences to support the healing process for patients and families at local hospitals. *The Art of Music* features guitars transformed by pediatric patients from Wolfson's Children's Hospital into vibrant visual interpretations of their favorite songs. We invite you to experience the creativity and courage of these young artists; to see how music inspires art, and how art, in turn, helps tell their stories of healing and hope.

Sponsored by the Florida Blue Foundation. Support for this exhibition was made in part by the City of Jacksonville, the Cultural Council of Greater Jacksonville, the Donald and Maria Cox Fund, the Haskell Endowment, the Jessie Ball duPont Fund, the MOCA Director's Circle, and the University of North Florida.
